Through our staff and facility, we promote the mission to *Learn – Create – Exhibit* as we embrace the intersection of photography with related art forms.

Our Photographic Arts Lab offers a fully outfitted facility for the beginning, amateur, and professional photographer to practice the art of photography. This is the *Learn* and *Create* space for photography at Art Intersection.

Wood floors, brick walls, and metal ceilings blend to create an inviting environment welcoming visitors to enjoy exhibitions in the Galleries at Art Intersection. This is the *Exhibit* space at Art Intersection serving to support the gathering of artists and art enthusiasts for exhibitions, lectures, seminars, and meetings.
